Pine Barren Place ARB Guidelines

As dictated by the covenants, any and all changes, alterations, or other modifications to the exterior of your home or property need to be approved by the Architectural Review Board (ARB). The purpose of the ARB is to act as an aesthetic authority for the community to ensure the community maintains a harmonious appearance. All decisions made by the ARB regarding requests for modifications are based on this purpose and are at the sole discretion of the ARB board. Failure to receive an ARB approval prior to making a change could be costly, as it may result in the need for removal or repair to the original condition. Violation(s) may be levied to those who deviate outside of this predetermined aesthetic, and thus, approval should be requested prior to enacting any changes on the part of the homeowner.

Below you will find a list of common aesthetic choices that are commonly submitted for ARB approval, items that are not approved by the ARB and a list of items that do not require ARB approval. This list does not encompass all items, but rather the common items that are typically desired. Keep in mind that all changes must be submitted for approval, not only the items listed below.

ITEMS COMMONLY SUBMITTED FOR APPROVAL:

- **Fences-** Enclosing the existing fencing. Once a yard is enclosed the backyard will be maintained by the homeowner.
- **Screened Porches/Glassed Sunrooms**
- **Patio-** Extending a back patio with concrete or pavers.
- **Storm Doors-** Storm doors must contain a solid piece of glass or screen. A picture must be submitted for design approval. The color of the door frame must match the existing trim.

ITEMS NOT PERMITTED:

- Fire Pits
- Canopies -any item that includes fabric of any kind (wooden pergolas are typically approved, but still require an ARB request)
- Artificial flowers
- Sheds or outbuildings are not permitted
- Swimming pools
- Flagpoles
- Basketball Hoops

Please note that the ARB guidelines may be adjusted or revised from time to time as desired by the ARB board. Because the guidelines may change it is imperative that you obtain approval for each and every item you desire to ensure that you will never be asked to remove or make changes to an improvement because the guidelines have changed.

All ARB requests will be reviewed within 60 business days, typically 30 business days. If additional information is needed you will be contacted for those items. If you do not receive a written response within 30 business days please contact our office at 912-354-7987 or admin@ecoastalmgt.com. It is your responsibility to obtain approval, keep copies of all approvals received, as well as pass them to successors if the improvement is still applicable when you sell the home.

If you have any questions with regard to what is approved or not approved please contact our office prior to improvements being made at 912-354-7987, admin@ecoastalmgt.com
